

What is a Reptile??

Can you pick which one is a reptile and which isn't?

Colour reptile speech bubbles green and write which reptile it may be. Colour non-reptile speech bubbles blue and write which animal it may be.

I live in Antarctica
I have white fur
I eat fish

I have scales.
My tail is sometimes
mistaken for my head.
I am slow.

I lay eggs
I have a forked tongue
I shed my skin

I have warm blood.
I like to eat gum leaves.

What is a Reptile??

Can you pick which one is a reptile and which isn't?

Colour reptile speech bubbles green and write which reptile it may be. Colour non-reptile speech bubbles blue and write which animal it may be.

I lay big eggs.
I have feathers.
I have a long neck
and long legs.

I keep my babies
warm in my pouch.
I hop around to travel.

I have a nictitating
membrane.
I have osteoderms.

My body temperature is
dependent on my
environment. I love
basking in the sun!
